

Meeting #1: Behind the Time and Dates, Decisions Moving Forward

Intro:

Dito ko po ilalagay kung bakit napili ko to plan the swimming on July 15-16. And ano po yung gagawin natin sa food budgets natin.

Fun Fact:

Ang actual plan is to go to Batangas kaso ang mahal ng pamasaha and walang ma-spot na magandang resort na puntahan, so back to default tayo which is yung laging pinupuntahan ng Remnants, Villa Cristina Resort. We also thought of inviting previous batch para naman makapag-bond (yiiiee) and hoping na magka-swimming din sila as a batch.

Why July:

July kasi andaming hindi available ng June, which is yung planned date. Tsaka mukhang magandang July rin naman kasi mostly available nung month na yun. Except PUPians hindi pa ata nila break.

Note: From the attendees, si Emerald lang nagsagot ng August. So ayun mukhang kakausapin pa natin siya to adjust, hopefully.

Why Night Swimming:

Matagal nang plano to ng small circle ng batch namin since nung highschool always day swimming. Bagong experience kumbaga and para hindi kami umitim kasi ayaw namin magka sunburn.

Note: From the attendees, Aaryanna and Emerald nagsagot ng Day Swimming, hopefully pwedeng magbago yung decisions nila so ayun reminder lang to discuss them the plans.

On Expenses:

Yung individual budget is PHP 475 and dagdag yung contribution sa food. Dun sa PHP 475 nandun na yung pamasaha, cottage fee, and entrance. So ma potential na mas mababa dyan ang gastos niyo specially kapag taga-Rizal ka naman so pwede ka na dumeretso sa Resort. Inevitably, pwede ring tumaas kung taga-Batanes kasi pala so mahal pamasaha mo. Need lang talaga is PHP 355 (Entrance + Cottage).

Food Budget:

Totalling around PHP 3,000 actually wala pa ring plano kung anong gagawin. So I'll layout the plans:

1. Find a person willing to cook. Hahanapin sa mga pupunta yung willing magluto then magdadala sila ng potluck. Bayaran nalang sila sa Resort mismo pag nakolekta na yung food contributions
2. Order. Before pumunta ng Resort, dadaan muna sa mga food services para um-order ng pagkain. Since Night Swimming naman gagana tong plan na to.
3. Pinaghalong 1st and 2nd. May magluluto and may mag-oorder.

Hindi ako papayag na kanya-kanya. Edi sana nagplano nalang din tayo individually. Chat me kung ano magandang step forward.

Alcohol:

Alam ko namang mga lasinggero kayo, pero dun sa Resort bawal magdala ng alak. Pero may work-around naman ilagay niyo lang sa ibang lalagyanan yung alcohol niyo para hindi mapansin.

Outro:

Ayun lang naman for now, malayo-layo pa naman so pwede pa nating pag-usapan ng husto yung mga plans for this swimming. If you want to bring up something you can chat me naman or anyone na pupunta. Salamat and God bless.
